

Covid 19 measures

"Safe & Fun in winter sports"

We look forward to welcoming you to the **Krainer-Wulschnig ski and sport schools** in winter. Our guests and our team are the most important asset for us. We examined the topic of corona measures with our representatives and developed a **concept for the winter season 2021/22**.

Current changes to the legal regulations are incorporated on an ongoing basis. We are happy to provide information on our **guidelines and recommendations**.

We look forward to a wonderful and mindful winter with you in the **Bad Kleinkirchheim / Nockberge & Millstättersee region!**

- **All course participants must provide valid 3G proof when registering or at the latest at the beginning of the course "3G certificates" apply according to the current ordinance**
- **The registration requirement is carried out with the course ticket**
- **We recommend booking online!**

Indoor, ski school office & children's rooms

- Please max. 1 person per family in the ski school office
- Access control depending on the m² with a maximum number of people
- Mask requirement according to current regulation
- Maintain a distance of at least 1.5 m
- we offer disinfection options
- our workplaces have partition walls
- regular ventilation and regular surface disinfection

Outdoor, at the meeting point and in class

- Compliance with the distance regulation
- If the minimum distance cannot be kept, mouth and nose protection is mandatory.
- When bringing and picking up children, we only ask one parent to come and wear an MNS.
- Only course participants and our employees can stay on the practice area.
- Everyone is required to wear gloves.
- The group size is kept as small as possible. The recommendation is 10 people per ski instructor, this can vary up to the legal limit of 12 people. We will try to be as flexible as possible so that all of our guests can take part in the ski courses. (We recommend booking online)
- Group changes are only possible after clarification with the ski school organization. (Driver safety decision)
- The specifications of the lift operator are complied with.
- We reserve the right to exclude course participants with symptoms of illness from classes.

Employee

- Keep your distance
- Every employee will be vaccinated or tested daily
- Vaccinated employees are also tested twice a week
- Increased cleaning and hygiene measures in the employee accommodation
- FFP2 compulsory in indoor areas or if the distance rules are not adhered to
- ☑ Daily instruction on the latest CORONA FIT rules

For sure we will have a Corona representative at all our Ski school locations. He will answer questions and give information's. We are looking forward to welcome you and your family soon!

If you have any questions, don't hesitate to ask.

*Kind regards from Kärnten
